grueling gru · el · ing

Advanced Definition

adjective

1. extremely tiring or demanding; arduous.

   grueling exercise

These are some examples of how the word or forms of the word are used:

1. According to Olsen, the most physically challenging part of the training was the water-landing exercise to practice 'splash down.' This is a demanding and dangerous method of landing a spacecraft by parachute into a body of water. To prepare for the grueling task, Olsen and his crewmates wore wet suits and other protective survival gear.
2. By the end of 2010 Sandes had become the first runner to win all four races in the grueling 4 Deserts race series. The races in the series are multi day self supported races of 250 kilometers (155 miles). Each race lasts one week and is made up of six stages. Self supported races mean runners have to bring along all the food and gear they will need.
