deceased de · ceased

Advanced Definition

adjective

1. no longer alive; dead.

noun

1. a particular dead person or dead persons as a group (usu. prec. by the.)

These are some examples of how the word or forms of the word are used:

1. Nigel Cameron, who teaches the ethics of biology, said dogs are members of the family and should be treated with respect. "My dog [Charlie] is now deceased," he told The New York Times." But I wouldn't want to clone Charlie. It would be disrespectful to Charlie and to Charlie II."
2. Since the 1994 study, captive gorillas in zoos across North America have continued to die at a young age from heart failure. Necropsies (animal autopsies) performed on the deceased gorillas have revealed that the majority had fibrosing cardiomyopathy, a condition in which cardiac tissue becomes thick and tough and the heart enlarges. An enlarged heart can’t beat properly.
