Hudson has written about "The Coolest Dog in America." His writing contains errors. Read Hudson's work. Then answer the questions.

1. Yesterday, my class read "The Coolest Dog in America" in *Action* magazine. When I got home, I told my sister Dakota all about the article.

5. "Puddles!" said Dakota. "That's not a bird!" Puddles barked happily and wagged her tail. Then she lay down on Dakota's foot and went to sleep. I guess Piper's job would only be right for certain dog's.
