GRADE SUMMARIES ARE REQUIRED TO BE SIGNED AND RETURNED NO LATER THAN MONDAY 01/23/17
GRADE SUMMARIES DO NOT REFLECT WORK ASSIGNED/DUE THIS WEEK (01/17-01/20)
Students were made aware prior to Winter Break that all late work is subject to -10% from that assignment's graded score and any work more than 1 week past due is subject to -50% from that assignment's graded score. As well, students who have work more than 1 week past due will be required to sit out from Friday Intramural activities until the work has been completed and turned in. If students still fail to turn in work at this point, there will be no opportunity for them to turn work in to make up points. Please also remember that daily FlashBacks (as with all missed work) are required to be made up (unless otherwise instructed by myself), regardless if your student was absent or arrived tardy. Missing work due to absence will only be given a modified due date equivalent to the time missed. Keeping up good attendance and having support from home are the best ways for your student to be successful. *NOTE* Tardies are not currently showing up in the system.

GRADE SUMMARIES ARE REQUIRED TO BE SIGNED AND RETURNED NO LATER THAN MONDAY 01/23/17
GRADE SUMMARIES DO NOT REFLECT WORK ASSIGNED/DUE THIS WEEK (01/17-01/20)
Students were made aware prior to Winter Break that all late work is subject to -10% from that assignment's graded score and any work more than 1 week past due is subject to -50% from that assignment's graded score. As well, students who have work more than 1 week past due will be required to sit out from Friday Intramural activities until the work has been completed and turned in. If students still fail to turn in work at this point, there will be no opportunity for them to turn work in to make up points. Please also remember that daily FlashBacks (as with all missed work) are required to be made up (unless otherwise instructed by myself), regardless if your student was absent or arrived tardy. Missing work due to absence will only be given a modified due date equivalent to the time missed. Keeping up good attendance and having support from home are the best ways for your student to be successful. *NOTE* Tardies are not currently showing up in the system.

GRADE SUMMARIES ARE REQUIRED TO BE SIGNED AND RETURNED NO LATER THAN MONDAY 01/23/17
GRADE SUMMARIES DO NOT REFLECT WORK ASSIGNED/DUE THIS WEEK (01/17-01/20)
Students were made aware prior to Winter Break that all late work is subject to -10% from that assignment's graded score and any work more than 1 week past due is subject to -50% from that assignment's graded score. As well, students who have work more than 1 week past due will be required to sit out from Friday Intramural activities until the work has been completed and turned in. If students still fail to turn in work at this point, there will be no opportunity for them to turn work in to make up points. Please also remember that daily FlashBacks (as with all missed work) are required to be made up (unless otherwise instructed by myself), regardless if your student was absent or arrived tardy. Missing work due to absence will only be given a modified due date equivalent to the time missed. Keeping up good attendance and having support from home are the best ways for your student to be successful. *NOTE* Tardies are not currently showing up in the system.
