ATTENDANCE

Excused Absences/Tardies

An excused absence or tardiness is one for which work may be made up, such as:

1. Death or severe illness in the pupil's immediate family; to include: spouse, children, stepchildren, parents, guardian, in-laws, siblings, and any other blood relative living in the student's home,
2. Illness of the pupil,
3. Religious holidays and practices;

10. Other valid reasons as determined by the Principal, including trips qualifying as educational enhancement opportunities.

Excused Absences

A maximum of five (5) absences per school year may be excused by a note from the student's parent/guardian. Absences exceeding five (5) days

per school year may be excused by a physician's statement. All excuses shall be submitted to the school office within three (3) days of the absence in order to be excused.

Unexcused Absences

Absences beyond five (5) days per school year without a physician's statement, which are not excused by an emergency absence extension, shall be unexcused.

Students who have unexcused absences may be permitted, with Principal approval, to make up missed class requirements during supervised after-school study programs or by a method deemed appropriate by the school.

To view the entire attendance policy, go to: www.greenup.kyschools.us,click on “Board Policies and Procedures”, Policy 9.123.

DAILY SCHEDULE

The school day shall begin at 7:55 a.m. and students should not arrive at school prior to 7:15 a.m. Students walking or being transported by parents with intentions of eating breakfast should be at school no later than 7:45 a.m. This will allow students time to eat and get to class on time.

Students arriving at 7:55 a.m. will be tardy and must report to the office for an admission slip to class. They need a written excuse as to why they are tardy. These excuses will be kept on file. Students who are tardy three (3) days or more (according to Board Policy) without a valid excuse are considered truant from school. This will result in a referral to the Director of Pupil Personnel officer. The school day shall end at 2:55 p.m.

DRESS CODE

- All students should be clean and well groomed.
- Modesty and good taste should prevail in all dress and behavior.
- All students must wear shoes.
- Excessive tightness to the point of disruption, in any garment will not be accepted.
- Patches and signs worn on clothing or emblems which are detrimental to race, creed, color, or national origin are prohibited.
- There shall be no obscenely suggestive disrespectful, profane language, or illegal (alcohol, tobacco, or drug related) decal, emblem, or slogan on any garment.

- Pants/jeans, skirts, and shorts are to be worn at the waistline without holes above the knees.

- Coats, jackets and book bags must fit under the students desk.

Other Considerations

- Exclusion of any item in this dress code shall not be interpreted to mean that it is allowed to be worn. Rather it should be assumed if it is not specifically listed in the code, students may not necessarily be permitted to wear it. Any current fads the administration deems inappropriate for school may be prohibited. If a situation arises that is not covered above, administration may make a

determination as to what is acceptable.

- With the principals' approval, provision will be made for individuals with medical or emergency situations, which call for a portion(s) of the dress code to be exempted.
- The principal or designee retains discretionary powers to what constitutes acceptable, modest appearance within the above guidelines and whether a student's appearance will potentially cause a classroom disturbance.

ILLNESS OR INJURY AT SCHOOL

It is important that we have a current phone number, address and emergency contact in order to locate parents as quickly as possible in an emergency. An emergency information form is included in the Opening Day Packet. Students will be treated quickly; we will make every attempt to contact the numbers listed on the emergency information form.

IN SCHOOL INSTRUCTION

Wurtland Middle School uses an In School Instruction program as an alternative discipline method. This program allows students to continue with instruction that a student would miss if he/she were suspended. A certified teacher works one-on-one with students during the program. Parents are contacted prior to a student being assigned to ISI. If a student is unsuccessful in ISI then other forms of discipline may be used.

LOCKERS

Lockers are assigned by the office/teacher in specified grade level areas. Each student is responsible for his or her locker contents. The school is not responsible for any stolen articles. The lockers are the property of the school and are subject to inspection by authorized school personnel at any time without warning. Locks may be rented from the office for $2.00, but are not required. If it becomes

necessary to open a lock and a child is unable or unwilling to do so, school personnel will open the lock. Only locks provided by Wurtland Middle School may be used**.**

MEDICATIONS

Medication should be given at home when at all possible. Parents/guardians and health care providers shall complete the required forms before any person administers prescription medication to a student or before a student self-medicates (09.2241 AP21 – Permission Form for Prescribed or Over-the-Counter Medication).

Prescription medications shall be administered only as prescribed on the physician/health care provider's written authorization. Prescription medications shall be sent to school in one (1) week increments unless otherwise approved by the Principal or designee. Parent/guardian shall have the ultimate responsibility to provide the school with an adequate supply of medication to enable the orders to be followed.

All prescription medication, original or refill, should be sent to school in a pharmacy labeled container that includes the student's name, date, medication, dosage, strength, and directions for use including frequency, duration, and mode of administration, prescriber's name, and pharmacy name, address, and phone number. Changes in the dosage and/or times of administration must be received in the form of a written order from the physician/health care provider OR a new prescription bottle from the pharmacy indicating the change and a note from the student's parent/guardian.

Nonprescription (over-the-counter) medications may be accepted on an individual basis as provided by the parent or legal guardian when a completed authorization to give medication form is on file. The medication should be in the original container, dated

upon receipt, and given no more than three (3) consecutive days without an order from the physician/health care provider.

Please anticipate these needs when taking your child to his/her physician and pick up the necessary form from the school office before the doctor visit. If medicine is to be given at school the physician can complete the form for you or fax it directly to the school: Fax #: 606-836-3939.

PARENT-TEACHER CONFERENCECES

Conferences between teachers and parents are encouraged to help ensure open communication about your child. All conferences will be held during teachers planning periods, and before or after school in order to keep the instructional day from being interrupted. If a parent/guardian desires a conference, please contact the school at 836-1023.

PROMOTIONS AND RETENTION POLICY

2) Social Studies	3) Reading	4) Any full year elective class
5) Any combination of quarter or semester Exploratory classes totaling one (1) full year of instruction, i.e., percentage grades from four, nine-week long Exploratory classes are averaged together to determine one final grade		

At each midterm, teachers will comprise a list of students with failing grades and send that list to the office. Copies of midterms will be sent home with the students.

At the end of each grading period, teachers will comprise a list of students with failing grades and send that list to the office. Parents/guardians will be notified in one of four (4) ways: certified mail, home visitation, phone conference, or parent/teacher conference at the school.

REPORT CARDS

Grade cards will be sent home with the students at the end of the nine-week grading period. Parents of any student receiving a failing grade will be mailed a copy of the report card. A mid-term progress report will also be sent home to keep parents better informed of a child's grades. The parent should review these reports closely.

SEARCH AND SEIZURE

Students have the right to be secure from unreasonable searches of their person and property. However, school authorities are authorized to search a student if they have reasonable suspicion that the search will reveal evidence that the student has violated or is violating the Code or a school rule or the law. Also, school authorities may conduct general inspections of jointly held property on a regular basis. All searches will be conducted in accordance with Board policy.

Students cannot expect to have complete privacy in their use of school property assigned for their use, such as desks and lockers.

TECHNOLOGY USE

Students in Greenup County have access to multiple technological devices. They must adhere to the Acceptable Use Policy, which is included in the student packet. Parents should read and review the policy with their children. Parents and students must sign the form and return it before the child will be able to access the technology in the district.

TELECOMMUNICATION DEVICES

While on school property or while attending school-sponsored or school-related activities, whether on or off school property, students shall be permitted to possess and use personal telecommunications devices as defined by law and other related electronic devices, provided they observe the following conditions:

These restrictions shall not be interpreted to prohibit material protected under the state or federal constitutions where such material does not otherwise materially or substantially disrupt the education process or intrude upon the rights of others.

2. Unless an emergency situation exists that involves imminent physical danger or a certified employee authorizes the student to do otherwise, devices shall be turned on and operated only before and after the regular school day.
3. When students violate prohibitions of this policy, they shall be subject to disciplinary action, including losing the privilege of bringing the device onto school property and being reported to their parent/guardian. A violation also may result in a report being made to law enforcement. In addition, an administrator may confiscate the device, which shall only be returned to the student's parent/guardian.
4. Students are responsible for keeping up with devices they bring to school. The District shall not be responsible for loss, theft, or destruction of devices brought onto school property.
5. Students shall comply with any additional rules developed by the school concerning appropriate use of telecommunication or other electronic devices.
6. Students shall not utilize a telecommunication or similar electronic device in a manner that would

TRANSPORTATION

Bus Transportation

Transportation for all students is provided by the Greenup County School District by means of school bus. Students are under the jurisdiction of the school from the time they leave home until they return. The school bus driver is in charge during the loading, in route to and from the school, and when unloading. Any misconduct pertaining to the school bus program may be met with a temporary or permanent loss of bus riding privileges and/or other appropriate disciplinary actions.

The following procedures are in effect:

- Students are not permitted to get off a bus at any point between home and school without permission from the school.

- All students are under the authority of the respective principals and teachers while on any

school property.

NOTIFICATION OF FERPA RIGHTS

The Family Education Rights and Privacy Act (FERPA) affords parents and "eligible students" (students over 18 years of age or students who are attending a postsecondary institution) certain rights with respect to the student's education records. They are:

1) *The right to inspect and review the student's education records within forty-five (45) days of the day the District receives a request for access.*

   Parents or eligible students should submit to the school Principal/designee a written request that identifies the record(s) they wish to inspect. The Principal will make arrangements for access and notify the parent or eligible student of the time and place where the record(s) may be inspected.

2) *The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or in violation of the student's privacy or other rights.*

   Parents or eligible students may ask the District to amend a record that they believe is inaccurate, misleading, or in violation of privacy or other rights. They should write the school Principal, clearly identify the part of the record they want changed, and specify why it is inaccurate, misleading, or in violation of their privacy or other rights.

   If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise him\her of the right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or

eligible student when notified of the right to a hearing.

3) *The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.*

   One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A "school official" is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks.

   A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility.

   Upon request, the District shall disclose education records without consent to officials of another school district in which a student seeks or intends to enroll or to other entities authorized by law.

4) *The right to prohibit the disclosure of personally identifiable information concerning the student to recruiting representatives of the U.S. Armed Forces and its service academies, the KY Air National Guard, and the KY Army National Guard.*

   Unless the parent or eligible student requests in writing that the District not release information, the student's name, address, and telephone number

(if listed) shall be released to Armed Forces recruiters upon their request.

5) *The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:*
   Family Policy Compliance Office - USDOE
   400 Maryland Avenue, SW
   Washington, DC 20202-4605

These include the right to:

1) **Consent before minor students are required to submit to a survey, analysis, or evaluation** that concerns one (1) or more of the following protected areas ("protected information survey") if the survey is funded in whole or in part by a program of the U.S. Department of Education:

   f) Legally recognized privileged relationships such as with lawyers, physicians, or ministers;
   g) Religious practices, affiliations, or beliefs of the student or the student's parents; or
   h) Income (other than that required by law to

determine eligibility for participation in a program or for receiving financial assistance under such program).

   a) Any other protected information survey, regardless of funding;
   b) Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student (except for any physical exam or screening permitted or required under state law); and
   c) Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others. **NOTE**: If the parent/eligible student has indicated no directory information is to be provided to third parties or if the marketing activity involves provision of social security numbers, consent form 09.14 AP.122 should be used.

   a) Protected information surveys to be used with students;
   b) Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and

The District shall annually provide parents and eligible students notice of these rights under law in the Student Handbook, the District *Code of Acceptable Behavior and Discipline*, or other avenue designated

by the Superintendent/designee.

The District shall also notify parents and eligible students at least annually at the start of each school year of the specific or approximate dates of the activities listed above.
